

ALOHA SECTION CLASSIC SCRAMBLE

A charity benefit for the Aloha Section PGA Foundation impacting lives through golf

Aloha...

The Aloha Section PGA Foundation, a 501(c)(3) charitable organization, is pleased to announce that its annual fundraising event, the Aloha Section PGA Classic Scramble, will be held at 11:30 AM on Monday, May 20, at the Mid-Pacific Country Club.

Every year, we reach out to people such as you who share in our mission to impact lives through golf. As the Foundation's major fundraising event, monies raised from the Classic Scramble are used to fund scholarships and financial aid programs, support community outreach and instructional projects, junior golf activities, and help children of active duty military families—all to support the continued growth of the game in Hawaii.

Participants in the Classic Scramble can look forward to a great event that is both fun and challenging. The tournament format is a four-person team (three amateurs/one pro). If you would like to invite your own PGA professional to play with your group, we can accommodate your request. Otherwise, the tournament committee will assign a pro for you. The event will again be held at the beautiful Mid-Pacific Country Club the day after the Jennie K. Wilson Invitational tournament—one of the major women's events in Hawaii—which means that the course should be in pristine tournament condition.

Your financial support this year will help us continue our mission to *impact lives through golf* as we continue to develop our PGA HOPE program in the islands. PGA HOPE (Helping Our Patriots Everywhere) is the flagship military program of PGA REACH, the charitable foundation of the PGA of America. PGA HOPE introduces golf to Veterans with disabilities to enhance their physical, mental, social and emotional well-being.

Join our mission to support Hawaii's Veterans. Enclosed you will find a tournament flyer and sponsorship registration form that describes the various sponsorship options. We are also grateful for donations of cash or prizes if you are unable to play. Thank you for your consideration, and we look forward to seeing you on May 20. Together, we can ensure that the game of golf remains a positive force in our community.
