

Aloha Section PGA

Board nomination

Wailea, September 22, 2021

Mr. Wes Wailehua
Mr. Ben Hongo

I would like to humbly submit my candidacy to serve as a board member for the 2021-2023 Board Election.

I believe with my journey of 17 years as a PGA member having exercise the profession of coaching in Florida, North Carolina, Canada and Europe, I can bring some expertise to serve the ASPGA membership. I have experienced competing in some PGA Monday Qualifiers and mini tours in Florida for 7 years.

Prior to be a PGA member, I have worked in the medical field as an Intensive Unit Nurse and General Manager of a Medical Clinic. I have graduated with an MBA in 1988. Then I have owned a Real Estate investment & management company.

During my career, I had the privilege to engage with some of the best minds in the golf business as a member of the Proponent Group. I have participated at all PGA National Teaching & Coaching Summit since I became a PGA Member. The knowledge I have acquired really helped me to be a better person and professional. I always strive to improve and keep learning. Therefore, I wanted to be a PGA Master.

My daily motivation is based on "I reserve the right of getting better, do my very best everyday"

It will be a great pleasure to serve the membership and be part of the board of directors team.

I am available if you have any questions.

Warmest Aloha,

Claude Brousseau, PGA Master
