Dear Mr. Secretary,

I respectfully submit this letter of intent to serve as a Director on the Aloha Section PGA Board.

I have been a PGA member for 28 years and really believe in the values of our Association. I am currently the Owner/Operator of the David Leadbetter Golf Academy at the Dunes of Maui Lani Golf Club.

I have served on the board since 2010 and recently completed my term as President in 2019. As a Past President of the Aloha Section PGA, I look forward to continue serving and helping our fellow professionals across the state.

During my term as an officer, I believed in creating a message to deliver a higher form of communication from our section leadership to our fellow members. Although there is room to grow, this campaign was highly successful.

I feel strongly in serving our PGA professionals, community, golf industry and growing the game.

I am on the Aloha Section PGA Teaching and Special Awards Committees and have seen firsthand the unique skill sets showcased by our members.

We have truly remarkable and talented golf professionals in our section and I am proud to be a PGA member.

Mahalo,

Eddie Lee, PGA
