

HAWAII'S OLDEST GOLF COURSE SINCE 1898

Aloha to all,

My name is John L. Harman. I am a PGA Member in good standing since 2007. I'm submitting this letter to gain your support to be a part of Board of Directors.

I am currently the Director of Operations at Moanalua Golf Club, the first course built in Hawaii. My job duties include acting as Moanalua's Golf Professional, Teaching Pro, and Club Manager. I oversee the daily operations of the cart barn and starters and fill in when we are short-handed.

I oversee daily operation of the restaurant, cooks and servers and work daily with our maintenance crew of three plus me. At times, I help to cut greens, tees and fairways. I learned this additional skill during the golf course shutdown that began in April 2020. I believe that I can help to continue to grow the game of golf, and it would be an honor to once again serve on the Board.
