

To My Fellow PGA Members of the Aloha Section,

Please accept this letter of intent to run for the PGA Board of Directors of the Aloha Section.

While I am still new to this section I do want to make a difference and allow my fellow professionals to get to know me on a personal and professional level. The PGA of America is something I hold close to my heart and have made a personal commitment to always be involved.

A program designed to identify up and comers in the PGA of America who want to make a difference in the future of leadership and governance. I was awarded 2018 Assistant Golf Professional of the Year and completed the Certified PGA Professional program in Teaching in 2019. I currently serve on the PGA University Education Committee.
